All our flags are constructed with quality:

- Embroidered Stars (appliquéd stars for flags 12'x18' and larger).
- Sewn Stripes with double-stitched seams.
- Outside edges have 4 rows of lock stitching to resist tearing.
- Heavy canvas headings with full-sized brass grommets.
- 100% Made in the U.S.A.

Choose your quality of fabric:

### Good: Cotton

Our cotton flags are colorfast to sun and rain, and exceed government strength standards.

### Better: Nylon

Nylon flags have brilliant color, are lightweight, quick drying, and will fly with the slightest breeze. They are durable and resist stretching. Our most popular flag.

### Best: Polyester

Polyester flags are engineered for industrial, commercial, or institutional use. Ideal where high winds or stressful conditions exist. Our toughest, strongest, longest-lasting flag.

According to popular usage, the length of the flag should be approximately 2/3 the height of the pole.

## How Long Will My Flag Last?

Our flags meet or exceed the federal standard of 90 days of use (sunrise to sunset, with protection during inclement weather).

For best results, do not expose your flag to rain, snow, or abnormally high winds, as these elements can shorten your flag's life considerably.

Avoid flying your flag when it is wet. Flying a heavy, wet flag in the wind puts excessive strain on the fabric and stitching, and will greatly reduce the life of your flag. Should the flag become wet, spread it out and allow it to dry completely.

Regardless of how well it is constructed, a flag is not indestructible. Since they're made out of fabric and subjected to the elements, flags will wear out sooner or later. Reasonably good care of your flag can contribute greatly to give it a longer life.

## Outdoor Flags

Printed nylon flags, with canvas headings and brass grommets. All flags are single-faced (correct on one side) unless otherwise noted.

## POW-MIA Patch

Fully embroidered 2 1/8" x 3 3/4".  
\$3.95 (820.402) black or white

## Badge Magic

Never sew on another patch!

Unique peel-and-stick adhesive makes patch application easy. Once applied, adhesive will withstand washing and drying (do not dry clean). Each sheet of Badge Magic (4.25" x 6") will apply one patch up to 4", or multiple smaller patches.

### How to use:

1. Place patch on adhesive sheet, and trace around it.
  2. Cut out patch shape with scissors.
  3. Peel off paper layer, and press patch onto adhesive.
  4. Peel off patch, and press firmly onto garment.
  5. Turn garment inside out, and rub back of patch firmly.
  6. Heat in clothes dryer for 20 minutes.
  7. If needed, apply medium heat with iron for 5-10 seconds.
- \$1.50 (820.501) one sheet

Simply Answer Each Of The Following Questions!

### 1. What style cap do you need?

That's easy. Simply choose your cap from those listed below:

**Post "State" Cap:** Solid blue cap with your State name spelled out in full.

**Post "City" Cap:** Solid blue cap with your City name in full, and your State name abbreviated.

**County Cap:** Solid blue with white piping and white letters. Your County name is in full, and your State is abbreviated.

**District Cap:** Blue cap with white crown. Your District name in full, and your State is abbreviated.

**Department Cap:** Solid white cap with your State name in full.

\*\* County, District, Department & National cap orders must be sent to your Department Headquarters for approval if your state is listed here: AL, KS, LA, MA, MD, ME, MT, NC, NM, NY, OH, PA, SC, SD, TX

### 2. Do you want your cap lined or unlined?

- **Lined caps** have a smooth gold nylon interior lining that will give your cap an extra level of comfort. All County, District, Department and National caps, as well as all Women's caps, automatically come with lining. It is optional for Post caps.
- **Unlined caps** are available for Post caps only.

### 3. What type of crown do you want on your cap?

- **Regular crown**  
The traditional Legion style.
- **Fort Knox crown**  
Often worn with the crown pushed down in the center, leaving the cap pointing up at both the front and back ends.
- **Women's crown**

### 4. What should my Left-side Lettering be?

That depends on which Cap Style you chose in your first step. Here's your guide:

## Cap Etiquette

- The left side (emblem side) of the cap is reserved only for the Legion emblem, city, county, district, or state lettering.
- If desired, the following items must be placed on the right side of the cap:
  - additional lettering, restricted to either the name of a Post, or to an officer title (such as "Past Commander"),
  - cap insignias or badges (for Past or Present officers),
  - consecutive membership insignia, membership stars, and/or authorized Legion or military services decorations.
- Names or nicknames of individual members cannot be used on caps.
- The Legion Uniform Cap should be worn by its members only when in attendance at official Legion meetings or ceremonies, or as official guests at patriotic or other civil functions, or by individuals when officially representing The American Legion on public occasions.
- A member is considered to be in uniform if wearing an official Legion Uniform Cap. Therefore, it is not proper to wear the cap while eating a meal at an official Legion or civic luncheon or dinner.
- The cap should be worn in a place of worship only by the Guard of Honor, Color Guard and Commander of same while in marching order or standing guard. When returned to and seated in pews, the cap should be removed.
- Legion posts marching in formation into a place of worship should uncover, at the door, hold the cap with the right hand over the heart until the arrival in the pews and commanded to take seats, remaining uncovered during the entire service. At the close of the service, upon command, the post shall arise, the members holding the cap with the right hand over the heart will march out of the place of worship, and recover after marching through the door.
- Legion members not in formation will uncover upon entering the place of worship and remain uncovered during the entire service, and will recover after leaving the place of worship.
- When at a funeral, the cap should be held over the heart as one approaches the casket, and is not at any time worn in a place of worship (except by the Guard of Honor, Color Guard or Commander of same while in marching order or standing guard). At the graveside, the cap should be held in the right hand over the heart during the entire service. In cold and inclement weather, the cap should not be worn.
- In Legion meetings, the cap should be worn except during moments of the Pledge of Allegiance, prayer, and when standing in silent reverence in memory of departed comrades, when the cap should be held with the right hand over the heart.
- Female members of the Legion should wear their caps in the manner prescribed for female personnel of the armed services.

## Motorcycle Parade Flag Holder

A ready-made, high-quality parade-use flag holder. Innovative design, versatile, easy on-and-off. This parade flag holder bar is designed to fit any motorcycle with a trailer hitch. It includes a chrome receiver bracket that is permanently bolted onto the trailer ball and will not interfere with your trailers coupler (for Harley Davidson® FLT™ & FLH™ models, two small receiver tubes bolt onto the lower fender, and or saddlebag supports, and remain virtually unseen). The flag holder bar can then be installed or removed from the receiver bracket in seconds by removing two safety pins.

- Includes one flag holder socket. One or two more can be added (sold separately, #120.222) to accommodate up to three flags.
- The sockets accommodate up to 1-1/4" diameter poles, and are machined at a 150-degree angle to their bases. They can be rotated and tightened to display your flags, angled to the rear, sides, diagonally, or any combination of these.
- All components are machined from aircraft quality aluminum and steel, then polished to a flawless finish and triple chrome-plated.
- Flags and poles not included.
- Made in USA.

- Made from lightweight and strong aircraft aluminum tubing.

- Designed for displaying flags up to and including 3' x 5'. (Flag not included)
- Made in USA.

## Patch Attach

Permanent, washable, dry-cleanable, non-toxic. A quick way to attach patches...with no sewing! Designed to bond almost any patch to fabric. So put away your needle and thread, and use "Patch Attach" instead!

## How to use:

1. Apply "Patch Attach" along the EDGE of the entire patch back (do not apply to entire patch back).
2. Let glue dry for 10-20 minutes.
3. Position patch on the garment. Cover with a press cloth (such as an old T-shirt) to prevent scorching.
4. Press with a dry iron on cotton setting (no steam) for 60 seconds.
5. If possible, iron on reverse side for additional 30 seconds.

**\$3.95 (820.500)**

## Badge Magic

Never sew on another patch! Unique peel-and-stick adhesive makes patch application easy. Once applied, adhesive will withstand washing and drying (do not dry clean). Each sheet of Badge Magic (4.25" x 6") will apply one patch up to 4", or multiple smaller patches.

## How to use:

1. Place patch on adhesive sheet, and trace around it.
2. Cut out patch shape with scissors.
3. Peel off paper layer, and press patch onto adhesive.
4. Peel off patch, and press firmly onto garment.
5. Turn garment inside out, and rub back of patch firmly.
6. Heat in clothes dryer for 20 minutes.
7. If needed, apply medium heat with iron for 5-10 seconds.

### Patch Attach

Permanent, washable, dry-cleanable, non-toxic. A quick way to attach patches...with no sewing! Designed to bond almost any patch to fabric. So put away your needle and thread, and use "Patch Attach" instead!

#### How to use:

1. Apply "Patch Attach" along the EDGE of the entire patch back (do not apply to entire patch back).
2. Let glue dry for 10-20 minutes.
3. Position patch on the garment. Cover with a press cloth (such as an old T-shirt) to prevent scorching.
4. Press with a dry iron on cotton setting (no steam) for 60 seconds.
5. If possible, iron on reverse side for additional 30 seconds.

### Badge Magic

Never sew on another patch! Unique peel-and-stick adhesive makes patch application easy. Once applied, adhesive will withstand washing and drying (do not dry clean). Each sheet of Badge Magic (4.25" x 6") will apply one patch up to 4", or multiple smaller patches.

#### How to use:

1. Place patch on adhesive sheet, and trace around it.
2. Cut out patch shape with scissors.
3. Peel off paper layer, and press patch onto adhesive.
4. Peel off patch, and press firmly onto garment.
5. Turn garment inside out, and rub back of patch firmly.
6. Heat in clothes dryer for 20 minutes.
7. If needed, apply medium heat with iron for 5-10 seconds.

## We Need Your Help!

### Protect Your Name

#### Did You Know...

- Only the National Adjutant, or his designated representative (American Legion Emblem Sales), may give authority to use the registered names, emblems, or logos of The American Legion, in accordance with trademark law and National Executive Committee resolutions.
- No officer or member of a Post, County, District, Department, or other unit of The American Legion, has the authority to grant the right to manufacture, reproduce, or deal in items bearing the name, emblem, or logos of The American Legion or any colorable imitation thereof.

#### Why Protection?

- A basic principle of trademark law stipulates that organizations risk losing the exclusive right to use their registered trademarks if they fail to protect the marks from unauthorized use. Loss of exclusivity would allow individuals to exploit The American Legion name, emblems, and logos for personal gain. Public awareness of such exploitation could reduce the effectiveness of every Post's fund-raising and service projects.

### How Can You Help?

- If you have a need for shirts, caps, pins, tacks, signs, stickers, etc...ask American Legion Emblem Sales first. Call us toll-free at 1-866-632-7131. We will either produce the items for you, or, as a designated representative of the National Adjutant, grant permission to have them made with an authorized manufacturer.
- Do not allow local companies to reproduce our name or emblem. Screen printers, embroidery shops, and any other manufacturer, are in violation of federal trademark law if they reproduce any of our names or emblems, and may be prosecuted. If you become aware of any such abuses, notify us toll-free at 1-866-632-7131.
- Order all of your American Legion-family merchandise from American Legion Emblem Sales. Proceeds from your purchase go directly into the Legion's and Auxiliary's general fund, which helps to finance all the successful programs and activities of The American Legion-family.

Public recognition and trust of The American Legion name and other American Legion-family registered trademarks are among the most valuable assets of the organization. Please help protect them.

Selected companies have been granted a license to produce items bearing the name or emblem of The American Legion. For an up-to-date list of these companies, please refer to our web site: [emblem.legion.org](http://emblem.legion.org)

Buy the flag of your choice and receive our lowest quantity pricing every day.  
Whether you buy one flag or 100 flags, you get our **lowest price!**

Choose your quality of fabric:

## Good: Cotton

Our cotton flags are colorfast to sun and rain, and exceed government strength standards.

## Better: Nylon

Nylon flags have brilliant color, are lightweight, quick drying, and will fly with the slightest breeze. They are durable and resist stretching. Our most popular flag.

## Best: Polyester

Polyester flags are engineered for industrial, commercial, or institutional use. Ideal where high winds or stressful conditions exist. Our toughest, strongest, longest-lasting flag.

According to popular usage, the length of the flag should be approximately  $\frac{1}{3}$  the height of the pole.

## How Long Will My Flag Last?

Our flags meet or exceed the federal standard of 90 days of use (sunrise to sunset, with protection during inclement weather).

For best results, do not expose your flag to rain, snow, or abnormally high winds, as these elements can shorten your flag's life considerably.

Avoid flying your flag when it is wet. Flying a heavy, wet flag in the wind puts excessive strain on the fabric and stitching, and will greatly reduce the life of your flag. Should the flag become wet, spread it out and allow it to dry completely.

Regardless of how well it is constructed, a flag is not indestructible. Since they're made out of fabric and subjected to the elements, flags will wear out sooner or later. Reasonably good care of your flag can contribute greatly to give it a longer life.
